Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specification either temporarily or permanently without incurring any liability to any prospective purchaser or purchasers. Fuel economy and emission figures obtained from controlled tests on a combined cycle. Note that the actual fuel consumption and emission will depend on many factors including your driving habits, prevailing conditions and your vehicles equipment, condition and use. Consult the vehicle handbook, www.ford.co.za or your nearest Ford Dealer for more information regarding Ford PROTECT plans and products. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones are not compatibleApple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear.

Ranger XL

The World's Most Versatile Bakkie

The New Ranger helps you make light work of any job with best-in-class towing, payload and engine. There's no end to its versatility either, with integrated rear box step, new Cargo Management System, a wider load box that fits 'Euro' pallets and a tailgate work bench.

Cargo management system is optional on XLT and Wildtrak. Drop in bedliner with the ability to create your own storage compartments is standard only on Wildtrak. Rear box step is Standard on XLT and Standard on Wildtrak.

Better ways to work

Clamp pockets

Two clamp pockets on the end of the tailgate allow you to clamp timber or tools to the tailgate work bench. They're concealed by spring-loaded capping when not in use.

Wildtrak's Cargo management system

Wildtrak's tie down cleats can be configured to your specific needs, with an adjustable internal load rail on each side of the bed. Cleats slide and lock into 9 locations and are load rated to 250kg.

Fits a pallet

The New Ranger has a wider track providing more room between the wheel arches. You can now load a standard sized "Euro" pallet (1,200mm x 800mm) in the bed.

Improved bedliner

The ribs on the floor of the moulded bedliner are now wider, offering more surface area to better grip cargo, and a more comfortable surface to kneel on.

Zone lighting

On selected models, a network of lights including headlamps, external mirror puddle lamps and rear box lamps work together to illuminate the perimeter of the vehicle so you can work or play into the night.

LEVEL 1

COMPLIMENTARY 4X4 TRAINING

When purchasing a Next-Gen 4x4 RANGER or EVEREST you qualify for a FREE introductory 4x4 course.*

The benefits of 4x4 training:

Acquire skills and knowledge which can be applied to ensure optimal, safe, and environmentally application of the 4WD vehicle on and off-road.

For more details please see our website:

www.ford.co.za

* The voucher is valid for a year from date of purchase.

Next-Gen Ranger Colours

Frozen White

Carbonized Gray

Agate Black

Moondust Silver

Note: The images are used to illustrate body colours only, and may not reflect the vehicle described. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of the printing processes used.

The **Ford Wildlife Foundation (FWF)** supports environmental education, research and conservation projects around Sub-Saharan Africa. The Ford RANGER is used to enable the projects to go further, and make a real impact in the environment in which they operate.

For further information on the FWF, visit ford.co.za or email wildlife@ford.com.

Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specification either temporarily or permanently without incurring any liability to any prospective purchaser or purchasers. Fuel economy and emission figures obtained from controlled tests on a combined cycle. Note that the actual fuel consumption and emission will depend on many factors including your driving habits, prevailing conditions and your vehicles equipment, condition and use. *FordPass connect and embedded modem comes standard on all Everests from September production 2021.

Terms & Conditions

- Maximum Braked Towing Capacity using a Genuine Ford tow pack. Subject to South African laws and regulations. To comply with these limits, occupants and / or luggage may need to be restricted to not exceed the GCM and GVM limits. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual.
- Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations.
- Apple CarPlay™ / Android Auto™ requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service. SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions.
- Wireless Charging only available with compatible phones.
- Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC® 4 features are compatible with all phones. For more details see ford.co.za/technology/sync/
- Use of FordPass™ is subject to the FordPass™ Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on www.ford.co.za/fordpass/ and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass™ App on your mobile device, including associated fees. The FordPass™ App and FordPass™ Connect modem can only work when both are connected to the telecommunications network. Ford cannot guarantee that FordPass™ will be in fully operating condition at all times and the FordPass™ App may be unavailable or particular FordPass™ services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Vehicle Local variable on selected SYNC® models and is compatible with select smartphone platforms. **Warning:** Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. Refer to FordPass terms and conditions on our website for connected service offered periods.
- Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations.

8. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Trailer Coverage system supports conventional trailer dimensions: up to 2.4m wide (measured at trailer front) and up to 10m long from the rear of your vehicle. Drivers will need to create a profile of their trailers in SYNC to support this system. Only works with a genuine factory fit Ford Tow Bar.

9. Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations.

Indicative pre-production vehicle specifications and images shown. Specifications and features on production model may vary. Vehicle undercarriage should be cleaned with fresh water after driving on sand.

The declared fuel consumption and CO₂ emissions figures were achieved during technical laboratory testing in accordance with the legislated technical specifications (SANS 20101: 2006/ECE R101: 2005 as last amended) and validated and approved by the UK Vehicle Certification Authority (VCA). Fuel consumption and CO₂ emissions figures are used to compare different vehicle types under uniform conditions, and are not necessarily indicative of real-life driving conditions. Note that the actual fuel consumption and emissions levels will depend on many factors and are directly affected by the length of the journey; number of passengers and the amount of luggage carried; individual driving style; road conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures in day-to-day driving, although the vehicle is technically capable of doing so.

Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specifications either temporarily or permanently, which will be communicated to the Ford Dealer Network. E & OE.

Fuel economy and emission figures obtained from controlled tests on a combined cycle. Note that the actual fuel consumption and emission will depend on many factors including your driving habits, prevailing conditions and your vehicles equipment, condition and use. Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specification either temporarily or permanently without incurring any liability to any prospective purchaser or purchasers.

All Next-Gen Everest derivatives have its service plan unbundled from the purchase of the vehicle in line with the Competition Commission's Guidelines for the Automotive After-market Industry. Service and maintenance plans can be purchased directly from the Finance and Insurance Manager at any Ford Authorised dealership.

Leather seats are a combination of leather and high-quality, durable materials.

Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specification either temporarily or permanently without incurring any liability to any prospective purchaser or purchasers.

EXTENDED
WARRANTY

All Ford derivatives recommended Retail Price includes a 6year/90 000km Ford Optional Service Plan. In addition, various extended service and maintenance plans can be purchased directly from the Finance and Insurance Manager at any Ford Authorised dealership. The service plan will cover the scheduled services on your selected plan based on the time, intervals and kilometres. For complete peace-of-mind motoring the Premium Maintenance Plan covers scheduled services, preventative care and replacement of “wear and tear” components as well as mechanical and electrical failure. Terms and Conditions apply.

- Extended Warranty options:** Covering your vehicle for up to 7 years or 200 000kms from the original warranty start date.
- Extended Service Plans options:** Available for up to 8 years or 165 000kms from original warranty start date. (Available from 1 July 2024)
- Extended Maintenance Plans options:** Ford Protect has a variety of maintenance options for up to 7 years or 150 000kms from the original warranty start date.
- Roadside Assistance:** Opt for an additional 1 or 2 years Roadside Assistance.

Please contact your nearest Ford Dealer for more information regarding Ford Protect plans and products options or visit www.ford.co.za/owner/ford-protect/

Errors and omissions excepted (E&OE). **New Vehicle Limited Warranty.

Disclaimers:

1. Ford Credit: Subject to credit vetting and approval. FFS Finance South Africa (Pty) Ltd, trading as Ford Credit, is an Authorised Financial Services Provider (FSP 31946) and Registered Credit Provider (NCRCP 72). Offers subject to change without prior notice. Visit [ford.co.za](https://www.ford.co.za) for further details. 2. Optional Service Plan included as standard on the Ranger, Everest, Territory, Tourneo, Transit, Mustang and excludes Puma and specific Transit derivatives. Jurisdiction and Currency: Your plan is only valid within the territorial limits of South Africa, Botswana, Namibia, and Swaziland. All payments will be made in the currency of South Africa. Your plan will be governed by the laws of the Republic of South Africa whose courts will have jurisdiction in any dispute arising under your plan. Where to go for your Scheduled Services under your Optional Service plan, you must go to a Ford Authorised Dealer. 3. Ford Protect: Ford Motor Company of Southern Africa (Manufacturing) (Pty)Ltd is a registered financial service provider, FSP No. 48173. Repairs and Maintenance Service are made with Authorised New or Remanufactured Parts: All repairs and covered maintenance services will be made with authorised new or remanufactured parts or other products authorised by Ford Motor Company. *Repairs and Maintenance are done with Authorised New or Remanufactured Parts: All repairs and covered maintenance will be done with authorised new or remanufactured parts or other products authorised by Ford Motor Company. **Depending on your selected Ford Protect Plan, you can enjoy coverage for scheduled services, maintenance, or mechanical and electrical components – or choose the comprehensive 3-in-1 cover for all round protection. 4. Online Service Booking, Express Service, Vehicle Loan Programme, Mobile Service - Available at selected Ford dealerships only. 5. Ford Vehicle Pickup & Delivery is offered by participating dealers and may be limited based on availability, distance, or other dealer-specific criteria. A non-operational vehicle is not eligible and will require roadside assistance. 6. Service Price Calculator is currently applicable to only Ranger, Everest, EcoSport, Fiesta and Figo models. 7. FordPass: FordPass Connect enables connected services and is available on selected vehicles. FordPass Connect will be enabled at time of vehicle delivery. The FordPass App and the FordPass Connect modem can only work when both are connected to the telecommunications network. Ford cannot guarantee FordPass will always be fully operational, and the app may be unavailable, or services interrupted. Ford is not responsible for any limitations of the telecommunications network or your mobile device. Use FordPass is subject to the FordPass Terms and Privacy Policy available on <https://www.ford.co.za/fordpass/> and requires a compatible mobile device, internet access and software (including software updates from time to time). 8. Free 4x4 Training: The 4x4 training is only available to 4x4 Ranger, Raptor and Everest owners, and is valid for a year from the date of purchase. 9. Experts are available between 08:00 to 17:00, Monday to Friday (excluding public holidays).
